Report for RHCSA Presentation in ESTD Department

Event Name: RHCSA training awareness departmental Session.

Preceded by: Dr. Kavita Bhosle

Facilitators: Ms. A R Kothimbire and Ms. Suchita Waghmare

Target Audience: All Students of the ESTD Department (Final, Third, and Second Year all Students of AIDS and CSD)

Date: 10-Oct-2024, 11-Oct-2024

Venue: hall 405 and 406

Objective: Enhance Student's awareness regarding Red Hat courses, certifications, fee structure, opportunities, and importance in the current and upcoming IT era.

All the students were informed by the speaker That “The Red Hat Certified System Administrator (RHCSA) certification is essential for IT professionals who want to validate their expertise in managing Linux systems. As more organizations depend on Red Hat Enterprise Linux, the need for certified administrators is increasing. This certification showcases skills in key areas like installation, configuration, and system maintenance. It not only improves job prospects but also enhances earning potential. Additionally, earning this certification boosts confidence in troubleshooting and optimizing systems. Awareness programs can inform candidates about its benefits and preparation resources. Promoting RHCSA helps organizations build a skilled workforce ready to meet modern IT challenges. Overall, RHCSA is a vital step for career growth in IT.”

The importance of RHCSA revealed to students by Spokesperson:

- **Enhanced Employability:** Increases job prospects with recognized credentials.
- **Technical Proficiency:** Validates strong Linux system administration skills.
- **Competitive Advantage:** Differentiates candidates in a crowded job market.
- **Industry Demand:** Opens up opportunities in sectors adopting Linux.
- **Hands-On Experience:** Provides practical skills for real-world tasks.
- **Network Opportunities:** Connects with industry professionals and peers.
- **Foundation for Growth:** Serves as a basis for advanced certifications.
- **Aligning with Employer Expectations:** Meets common employer requirements.
- **Confidence in Interviews:** Boosts confidence in showcasing skills.
- **Access to Resources:** Provides study materials and job placement support.

Expected Outcomes: Increased student awareness and knowledge about Linux, Future aspects, and opportunities with Red Hat. RHCSA's importance in placements and training advantages with MIT.

Action Taken: Red Hat PPT was discussed with students, and google form for any interested students or relevant query is circulated is respective WhatsApp groups.
