***A Report on "Angel Investment"***

1. Promotion in Social Media :Whatsapp
2. Program Type: Strategic Angels
3. Program Theme: Startup
4. Start Date: 31<sup>st</sup> Aug 2024
5. End Date: 31<sup>st</sup> Aug 2024
6. List of Student Participants: 60
7. List of faculty Participants: 03
8. List of external participants
9. Expenditure amount, if any: Nil
10. Remark.
11. Mode of Session delivery: Offline
12. Objective (in less than 100 characters):

To educate participants about angel investment through an expert talk that aims to clear outline what angel investment is, including the role and characteristics of angel investors compare to other funding sources like venture capitalists.

To educate the participants with the steps involved in angel investing, including how entrepreneurs can effectively pitch their ideas to potential investors.

Also to address the inherent risk associated with angel investing. And the expectations of investors regarding returns and involvement in the startup or in business.

13. Benefits in terms of learning/ skill/ knowledge obtained (in less than 150 characters)

An expert talk on angel investment can provide numerous benefits to participants, particularly entrepreneurs, investors, and those interested in the startup ecosystem.

Participants gain insights from experienced angel investors about the fine points of angel investing, including what investors look for in startups, effective pitching techniques, and common pitfalls to avoid. This knowledge can help entrepreneurs refine their business strategies and improve their chances of securing funding. Expert talks often cover current trends in the investment landscape, helping participants stay informed about market dynamics, emerging sectors, and investor preferences.
