INTRODUCTION:-

The main purpose of conducting this event was to stand a Student Association of Emerging Science and Technology. Keeping this in consideration our faculty coordinator Prof. Kiran Chaudhari Sir and 13 organizers in a team conducted an online event called Eventzen under Ignite Student Association of Emerging Science and Technology Department.

The focus of this Event was to build a strong network among students for the betterment and collaboration with other students. It also gives exposure to extra curricular activities.

Firstly we planned all the things which were required for conducting this event and after well-planning we took an Approval letter from Higher Authorities of our College and under their consideration this event was conducted.

The event was attended by nearly 450 students and was held in online mode.

The event began with an inauguration program led by Mandar Kulkarni sir and all the HODs. We welcomed all the participants and discussed the importance of such events. We also outlined the rules for the competitions that were organized.

We took special care to ensure that the participants had a good experience throughout the event. We had a dedicated team of volunteers who took care of the technical aspects of the event and ensured that everything ran smoothly. We also had an active social media presence to keep people informed and engaged.

In the end, the event was a great success and everyone had a wonderful time. Our hard work and dedication were evident in the smooth running of the event and the enjoyment of the participants. We were able to create an atmosphere of learning, fun and creativity.
