 - To develop entrepreneurial skills among students and faculties
 - To inculcate a culture of innovation-driven entrepreneurship.
 - To promote new technology/ knowledge/ innovation-based startups.
13. Guidelines for participation:
 - 1)Participation in team, not more than two Members.
 - 2) The poster should include following details viz, Introduction/Background, Methods, Results -discussion, Conclusions, key references.
 - 3) Posters should stimulate discussion, not give a long presentation. Therefore, keep text to a minimum, emphasize graphics, and make sure every item included in your poster is necessary and ideas flow logically from one section to the next. Kindly ensure that the Title of the

poster should be legible from 6 feet away while Body text should be legible from 3 feet away.

4) Poster size: A2/A1 drawing paper.

About the competition

- Students created and presented creative, well-prepared posters for startup concepts. Teams provided original ideas for business plans; each team displayed their concepts on a poster, and judges asked questions afterward.

- The students had a great time and expressed their gratitude to the organisers for providing a platform where they could use their knowledge, creativity, and inventiveness to create original business proposals.
