2. Review IQAC work for academic year 2023-24.

The Chairman of IQAC informed the members that the institute has implemented the NEP 2020 from the academic year 2023-24.

Dr. Ajj Sayyad, Dean (Academics), summarized the credit framework under NEP 2020.

Dr. Bhakti Ahirwadker informed the members that the institute has successfully submitted the NAAC AQAR and NIRF 2024 details. She also mentioned that the Civil Engineering, Plastic and Polymer Engineering, and Electrical Engineering UG programs will submit applications for National Board of Accreditation before September 2024.

Prof. B. M. Deshmukh appreciated the efforts taken by the Quality Assurance Cell of the institute.

3. Revision in institute Vision and Mission

Dr. Bhakti Ahirwadker presented the proposed revised vision and mission statements of the institute. She explained the process followed for the revision.

Vision: To be a globally recognized educational institution fostering technically and ethically strong personalities adept at solving societal challenges through excellence in teaching-learning, research and innovation

Mission: To serve the society with an equitable and holistic education system, shaping students into professionally valued global citizens through:

- High quality teaching learning and conducive environment for research & innovation
- State-of-art infrastructural facilities and an inspiring learning environment
- Multi-disciplinary education, skill enhancement trainings, and value education
- Collaborations with national and international organizations to enrich the educational and research experience

Mr. Narayan Katyare suggested incorporating sustainability into the institute's vision or mission.

Mr. Kolhe emphasized the importance of sustainable research and recommended considering Mr. Katyare's suggestion.
